

Diocesan Professional Development Day
St. Gabriel Catholic School
March 8, 2013

Discussion Questions
For Kindergarten Teachers

Please answer the following questions as a school to share on March 8th.

*What innovative methods, supplemental resources, or materials have you used that have proved successful in meeting the common core standards in any subject?

*How are you using technology to enhance instruction and meet the expectations of the common core standards?

*Which parts, if not all, do you use daily from our Journeys program (if you have the Journeys program)?

*What additional series do you pull from to teach Language Arts?

*Which Math series do you use? Please include additional resources you use to supplement.

*Bring a sample of your school's report card. Is it aligned with the Common Core? How can we update the report card to be aligned? Please bring ideas to share.

*Do you have a quarterly assessment and/or progress report check list based off the common core? Please bring to share with other teachers.
